Swimmers wishing to withdraw from a final must complete a withdrawal form no more than 45 minutes before the advertised start time of the finals.

OFFICIALS

Thanks to all of the officials and other volunteers from HCASA who have given up their time to make this event possible.

RESULTS CALCULATION

Results for individual age groups are calculated in accordance with times recorded in the heats.

Open results are calculated in accordance with the order of finishing in the final (except for events of 400m or longer where heat times are used).

Junior results are calculated as follows:

- Junior swimmers who are placed in the final are placed in order of finishing before other Junior swimmers
- Other Junior swimmers are placed in accordance with heat times

A Junior swimmer must be under 16 years of age at midnight on the final day of the championships.

MULTI-DISABILITY EVENTS

This competition includes events for disabled swimmers, included within the programme for able-bodied swimmers. Disabled swimmers are designed in the programme by their IPC disability classification (e.g. S7, SM7).

Positions will be determined by each swimmers time relative to the British Record time for their classification (as at 1st January 2010).

AWARDS AND PRESENTATIONS

Awards will be presented to first, second and third placed swimmers in each individual event in the Open and Junior competitions.

- Presentations for events 610-613 will be made after event 613.
- Presentations for events 614-617 will be made after event 617.
- Presentations for events 658-663 will be made after event 663.
- Presentations for events 668-671 will be made after event 671.

Awards will be available for collection for the first, second and third placed swimmers in each age group and multi-disability event, as soon as the heat results have been published.

Awards will be available for collection for the first, second and third places swimmers in each multi-disability event. If fewer than four swimmers compete in any events, then a minus one ruling shall apply. If only one swimmer competes, that swimmer must equal or better their entry time for that event in order to qualify for an award.

HEATS LISTS AND RESULTS

Heat start lists will be posted on the wall of the pool before the start of each session. Copies will be available for collection by registered coaches as soon as possible at the start of each session.

Results will be posted on the wall at the end of the pool after the completion of each event.

Full results will be available on the HCASA Web site www.hampshireswimming.org (subject to the availability of a usable internet connection, results will be posted "live" during both days of competition).

HEALTH AND SAFETY

1. The only people permitted on poolside other than swimmers and competition officials are those in possession of a Coaches or Poolside Helpers pass, which must be worn at all times.
2. Swimmers must make sure that their bags do not block the emergency exits or impede movement of others around poolside. At no time may swimmers enter the spectator area.
3. Please take your litter home with you.
